Season 1, 2008

Colin Mudford is on a quest. His brother, Luke, has cancer and the doctors in Australia don’t seem able to cure him. Sent to London to stay with his Aunty Iris, Uncle Bob and his cousin Alistair, Colin reckons it’s up to him to find the best doctor in the world. And how better to do this than by asking the Queen to help…?

Two Weeks with the Queen is a funny, sad, sweet and thought provoking play that allows the audience to use Colin’s innocence and humour to face that hardest of all truths.
